SIR

I have the honour to state that in accordance with G O No Fl 582-85/G F 54-43-5 dated 8-8-1944 the work of the audit of the accounts of the Municipal High Schools in the State was transferred to this Department, the salary and travelling allowance of the staff sanctioned therefor being met in equal proportions by the several municipalities to which Municipal High Schools are attached

The accounts of 8 Municipal High Schools were audited in 1944-45 and the bill for the Establishment and Travelling Allowance charges was sent on 30-10-1945 to each of the Municipalities for acceptance and payment immediately Some of the Municipal Councils delayed payment too long and after the intervention of the Comptroller the bills were paid so late as August 1946 and February 1947

In 1945-46 the accounts of 17 Municipal High Schools were audited and the bills were sent to the Secretaries of respective Committees of High Schools on 24-7-1946 Though 8 months have elapsed so many as 12 municipalities have not paid the bills so far in-spite of reminders having been issued This has resulted in avoidable work all round and entailed extra work In view

view of the delay caused to pay the amount in-spite of clear instructions in the Government Order, I request that circular instructions may be issued to the Deputy Commissioners of the Districts ( Presidents of the Managing Committee of High Schools) to arrange payment of the audit charges within one month from the date of receipt of bills from this office, failing which the treasury officers being instructed to adjust the amount from out of the funds of the municipalities concerned at credit in the treasury

I request that sanction of Government may be kindly obtained and communicated so that the amount of bills may be paid promptly in future
